Part III REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach, disclose, or suggest the claimed limitations of (in combination with all other limitations in the claim), providing a plurality of raw image data files; providing a buffer memory structure comprising at least one buffer memory pair for each raw image data file; identifying at least one pertinent segment from each of the raw image data files, the at least one pertinent segment being part of the resultant image; buffering image data corresponding to the at least one pertinent segment from each raw image data file into the at least one buffer memory pair associated with the raw image data file; and copying the at least one pertinent segment from the associated at least one buffer memory pair into a resultant image buffer as claimed in claim 1. Similar features are claimed in claims 4, 9, 11, 12, 18, 23, and 29-32. Therefore, claims 4, 9, 11, 12, 18, 23, and 29-32 are allowable over the prior art of record for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
